Under Unfinished Business, Mayor Pruett read the Second Reading of the of an Ordinance amending Title VI Physical Environment Chapter 11 Building Code by Title Only. Councilman Bowman noted that at the last meeting a workshop on the Building Code was recommended. He asked if that has been scheduled. City Administrator Kida said it has not and suggested some dates and times. It was decided the Third Reading will take place on January 17th to allow time for a workshop before the adoption of the Ordinance amendment.

Moved by Councilman Bowman, second by Councilman Weller to Approve the Second Reading of an Ordinance amending Title VI Physical Environment Chapter 11 Building Code. On roll call — Ayes — Councilmen Bowman, Determann, Weller. Absent — Councilmen Varner, Schnoor. Nays — None.

Also under Unfinished Business, Mayor Pruett read the Second Reading of the of an Ordinance amending Title IV Mental and Physical Health Chapter 1 Animal Control by Title Only.

Moved by Councilman Bowman, second by Councilman Determann to Approve the Second Reading of the of an Ordinance amending Title IV Mental and Physical Health Chapter 1 Animal Control. On roll call – Ayes – Councilmen Bowman, Determann, Weller. Absent – Councilmen Schnoor, Varner. Nays – None.

An update on PFAS was given. Kida said there is a meeting on Wednesday to look at the final plan to submit. He said we have had really good discussions with 3M. City Engineer Dan Solchenberger said they have a proposal from Cahoy to pull the pump from well #5, camera the well and do a test pump.

City Engineer Solchenberger also gave an update on the roundabout. The walkthrough was done with the DOT. It will be open as soon as MidAmerican installs the temporary lighting; Solchenberger thinks it will be in early January. Councilman Weller asked if we have an estimate on the permanent lighting. Solchenberger said it will be 17 weeks to get the breakaway poles the DOT required after they approved the final plan with regular poles.

Public Works Director Pewe led a discussion about the new Public Works truck that was approved by Council at a previous meeting. He said it is nearly impossible to get a new truck; other Public Works departments are having the same problem. He found a 2015 truck at an auction in Sheboygan Wisconsin. He wanted to see if Council is okay with him bidding on this truck; he has maximum a number in mind. All agreed to go for it.

Moved by Councilman Bowman, second by Councilman Weller to Adopt a Resolution Setting the Date and Time for a Public Hearing for the First Amendment to the Budget for Fiscal Year 2023. On roll call – all Ayes.

Chief Schmitz presented the November 2022 Camanche Police Department report.

Councilman Bowman congratulated Harold Teagarden on passing his drone pilot certification exam. He also said he has seen complaints on brown water on Facebook. Pewe said there is not a lot we can do about it until the SCADA system is fixed. He is tracking the reports in Mobile 311 and has asked residents to get a sample to him when it happens so testing can be done; he will even pick up the samples. So far, no one has provided a sample. Bowman has heard questions on the yard waste changes. Pewe said he is looking at the possibility of other drop off locations, but nothing is decided at this time. Bowman also said there are some citizens objecting to monthly billing. Councilman Weller reminded everyone that Santa Claus is at the Holiday House in the park 5:00-7:00 p.m. until Friday, December 23rd.

Chief Schmitz thanked all agencies, especially the Fire Department and EMS as well as the people in the community for their assistance with the missing 3-year-old over the weekend who was found safe.

Mayor Pruett called for public comments. There were none.

A Work Session for the FYE 2024 Budget was led by City Administrator Kida. He provided revenue worksheets for the Mayor and Councilmembers. Using a Power Point presentation, he covered the projected revenues and projected levy of \$12.17406 which is lower than the current year by \$0.62. He informed Council that the City is at 23% of our debt usage and noted that typical cities our size are at 60%-80%. He went over a number of unrealized revenues Council could consider implementing. Then he went through the Cemetery budget. Next meeting will be Library, Water, Sewer, Fire Department and Police Department.

Mayor Pruett adjourned the meeting at 7:14 p.m.
